17 These matters are currently set for sentencing on Friday, May 11, 2007, at 2:30 p.m. The  
18 parties and Probation Officer believe that a brief continuance would be appropriate in light of new  
19 information that surfaced last week regarding Mr. Williams' criminal history. Because the next  
20 date upon which all parties and the Court will be available is June 8, 2007, the parties jointly  
21 request that the matters be continued to Friday, June 8, 2007, at 2:30 p.m. for sentencing. The  
22 parties are seeking this additional time in order to consider whether the new information will affect  
23 the plea agreement previously submitted and, if appropriate, to submit a revised agreement. The  
24 Probation Officer has been consulted and will be available on the new date. Mr. Williams is out of
